*Honoring Our
Fallen Heroes*

A message from the California Peace Officers' Memorial Foundation

March 5, 2021

Yesterday morning, the CPOMF Board of Directors met and discussed the May 2-3, 2021 California Peace Officers' Memorial Ceremonies.

Due to state and local COVID-19 restrictions, it is with profound disappointment that we announce the cancellation of this year's Memorial Ceremonies in Sacramento.

Directors thoroughly reviewed all information available and discussed at great length the options for holding our traditional memorial ceremonies to honor and enroll California's fallen heroes who sacrificed all **In the Line of Duty**. There were many logistical challenges to consider, which would have resulted in ceremony events that the Board ultimately deemed inadequate for the families of our honored heroes as well as their respective departments, peace officer associations, and communities.

When it comes to honoring our fallen heroes, we are not willing to compromise.

Rest assured that these officers will be formally honored and enrolled in our decades-long tradition on May 1-2, 2022. At that time, their names will be added forever to the California Peace Officers' Memorial Monument on State Capitol grounds.

Until then, we wish all of you good health and personal safety in the remainder of 2021 and beyond.

Sincerely,

Kevin Mickelson, President
CALIFORNIA PEACE OFFICERS'
MEMORIAL FOUNDATION
