

California's Professional Peace Officers

WE TAKE CARE OF OUR OWN

Always Have. Always Will.

"The beautiful bronze and granite California Peace Officers' Memorial Monument located on State Capitol grounds in Sacramento contains the names of more than 1,640 courageous peace officers who have laid down their lives in the line of duty protecting and serving their fellow Californians. Tragically, every year more names are added."

Introducing the California Peace Officers' Memorial Foundation Peace Officer Payroll Program (CPOMF POPP)

The CPOMF POPP is a simple way for members of the law enforcement community to honor their fallen brothers and sisters and support the family members left behind. Participants voluntarily donate an amount of their choosing through automatic payroll deduction. This program can be administered at every level of law enforcement including state, county, and municipal employer-sponsored charitable program payroll deductions.

The most common method of establishing a CPOMF POPP, is through your specific law enforcement association bargaining unit as an ancillary voluntary dues deduction designated to the California Peace Officers' Memorial Foundation.

Current POPP participants include the Association of Orange County Deputy Sheriffs, California Correctional Peace Officers Association, City of Irvine, Sacramento County Deputy Sheriffs' Association, and San Joaquin County Deputy Sheriffs Association, with the California Highway Patrol and Huntington Beach Police Officers' Association recently approving their CPOMF POPP. We hope your organization will follow their lead in adopting a Peace Officer Payroll Program and help us as we **TAKE CARE OF OUR OWN**. CPOMF staff can assist in determining the best way for your organization to participate.

Become the **ultimate** back up for your fellow officers who made the **ultimate** sacrifice.
